Assembler – Lawn Mower Manufacturing

Location: Walker Manufacturing – Fort Collins, CO

Range: \$18.00-25.00/hr

Position Overview:

Walker Manufacturing, a family-owned leader in lawn mower innovation, is seeking dependable and detail-oriented Assemblers to join our production team. Assemblers play a key role in building our premium zero-turn mowers, working with fabricated parts, chassis, engines, transmissions, hardware, wiring harnesses, and other major mower components. This role requires strong attention to detail, the ability to follow step-by-step work instructions, and a positive, team-first attitude.

Key Responsibilities:

- Assemble mower components and subassemblies, including fabricated metal parts, chassis, engines, transmissions, tires, decks, accessories, hardware, and wiring harnesses.
- Follow written and verbal instructions to ensure assemblies meet Walker's quality standards.
- Use hand tools, power tools, and torque equipment to perform precise and efficient assembly work.
- Perform in-process quality checks to verify accuracy and functionality.
- Work in a fast-paced environment and consistently meet daily production goals.
- Identify and communicate assembly issues or defects to supervisors or leads.
- Maintain a safe, clean, and organized work area consistent with company safety practices.
- Support team members and adapt to changing production needs.

Qualifications:

- Previous experience in a manufacturing or related environment preferred.
- Familiarity with hand and power tools relevant to the department.
- Ability to follow detailed work instructions with accuracy and consistency.
- Physical ability to stand for extended periods, perform repetitive motions, and lift up to 40 lbs as needed.

Personal Attributes:

- Reliable and punctual with a strong work ethic.
- Positive attitude and willingness to contribute to team success.
- Flexible and willing to assist wherever needed on the production floor.
- Commitment to producing high-quality work with pride and care.
