

## **CNC Roller – Manufacturing**

Location: Walker Manufacturing – Fort Collins, CO

### **Position Overview:**

CNC Roller Operators at Walker Manufacturing operate and maintain CNC-controlled plate rolling equipment to produce rolled mower components. This position requires attention to detail, mechanical aptitude, and a strong commitment to safety and quality. Progression includes mastering multiple rolling machines, modifying programs, and supporting fabrication processes to ensure consistent and accurate part production.

### **Key Responsibilities:**

- Operate and maintain 3-roll and 4-roll CNC plate rollers to form components to specification.
- Access, modify, and adjust rolling programs to produce and maintain high-quality parts.
- Use measurement tools to verify parts against prints, patterns, and specifications.
- Perform daily production of rolled components in alignment with production schedules.
- Assist with department-wide first part inspections and quality checks.
- Troubleshoot rolling issues and make adjustments to improve accuracy and consistency.
- Operate secondary equipment such as sanding tools and drill presses as needed.
- Support additional fabrication-related tasks as required.
- Maintain a clean, safe, and organized work area in accordance with company standards.

### **Qualifications:**

- Familiarity with computers and basic CNC controls.
- Strong troubleshooting and problem-solving skills.
- High attention to detail and commitment to quality.
- Ability to stand for extended periods and perform repetitive tasks.
- Ability to lift and carry moderate to heavy weight (15–30 lbs).
- Strong safety awareness and adherence to safety procedures.
- CNC, fabrication, or quality control experience preferred.
- Some programming experience preferred.
- Familiarity with Roundo CNCSquared and SevenX rolling software preferred.
- Experience with metal fabrication processes such as punching, drilling, notching, and shearing preferred.

### **Personal Attributes:**

- Reliable and punctual with a strong work ethic.
- Positive attitude and willingness to contribute to team success.
- Flexible and willing to assist wherever needed on the production floor.
- Commitment to producing high-quality work with pride and care.

### **Why Work at Walker Manufacturing?**

At Walker, we take pride in building premium lawn mowers known worldwide for quality and performance. As part of our team, you'll enjoy a supportive work environment, steady year-round employment, and opportunities to grow with a company that values craftsmanship, teamwork, and reliability.
