

Walker Manufacturing**Machinist – Lawn Mower Manufacturing**

Location: Walker Manufacturing – Fort Collins, CO

Range: \$18.00-\$25.00/hr

Position Overview:

Our Machinists at Walker Manufacturing operate and maintain precision machining equipment to produce mower components. This position requires accuracy, mechanical aptitude, and commitment to safety and quality. Progression includes mastering multiple machines, performing setups, troubleshooting, and programming new parts.

Key Responsibilities:

- Operate a single machine following specific instructions.
- Perform basic measurements to confirm part accuracy.
- Report issues with machine or quality to group leader.
- Maintain clean and safe work area while meeting production goals.
- Operate multiple machine types with consistency and accuracy.
- Perform basic setup and adjustments under supervision.
- Conduct in-process checks to confirm accuracy and quality.
- Identify and communicate minor machining issues to group leader.

Qualifications:

- Previous experience in machining or a related environment preferred.
- Familiarity with Mills, Lathes, and other machining equipment.
- Ability to follow detailed instructions with accuracy and consistency.
- Physical ability to stand for extended periods, perform repetitive motions, and lift up to 50 lbs as needed.

Personal Attributes:

- Reliable and punctual with a strong work ethic.
- Positive attitude and willingness to contribute to team success.
- Flexible and willing to assist wherever needed on the production floor.
- Commitment to producing high-quality work with pride and care.
