

Walker Manufacturing**Powder Coater – Lawn Mower Manufacturing**

Location: Walker Manufacturing – Fort Collins, CO

Range: \$18.00-25.00/hr

Position Overview:

Our Powder Coat Technicians play a critical role in preparing and finishing fabricated mower parts. This position involves hanging and unloading parts from the powder coat line, applying coatings, and ensuring a durable, high-quality finish. Progression includes learning booth spraying techniques, troubleshooting coating issues, and maintaining wash and line systems.

Key Responsibilities:

- Hang fabricated mower parts onto the powder coat line for processing.
- Unload finished parts from the line after coating.
- Inspect finished parts for defects and communicate issues to group leader.
- Follow safety practices for handling coated and uncoated parts.
- Maintain a clean and organized work area.
- Proficiently perform both hanging/unloading and basic booth spraying tasks.
- Assist with color changes and maintain booth cleanliness.
- Perform in-process quality checks and monitor coating consistency.
- Support line flow by adapting to different roles as needed.

Qualifications:

- Previous experience in a manufacturing or related environment preferred.
- Familiarity with hand and power tools relevant to the department.
- Ability to follow detailed work instructions with accuracy and consistency.
- Physical ability to stand for extended periods, perform repetitive motions, and lift up to 40 lbs as needed.

Personal Attributes:

- Reliable and punctual with a strong work ethic.
- Positive attitude and willingness to contribute to team success.
- Flexible and willing to assist wherever needed on the production floor.
- Commitment to producing high-quality work with pride and care.

Why Work at Walker Manufacturing?

At Walker, we take pride in building premium lawn mowers known worldwide for quality and performance. As part of our team, you'll enjoy a supportive work environment, steady year-round employment, comprehensive benefits, and opportunities to grow with a company that values craftsmanship, teamwork, and reliability.
